Dear Sirs

We are a group of Worcesterstershire supporters, who have, over the last five years, raised in excess of £40,000 to support seven projects in some of the most deprived areas in South Africa that as well as getting young people playing cricket also address social issues in their area.

Gloucestershire and South African legend Mike Procter will be guest speaker at this year's dinner which will be held at Worcesterstershire County Cricket Club on Friday 17th June and will raise funds to support that work.

Along with Mike Procter the evening will feature:

- A superb four course dinner.
- Live music.
- An auction.
- Competitions.

Tickets are normally priced at £60 each but we are offering your members the opportunity to purchase theirs at just £50 each. Tickets can be obtained by contacting Mark at ma004g2691@gmail.com or on 07506 747619

Please can you forward this email and the attached flyer to all of your members.

Many thanks
Mark Ashbourne
